Simulado de Preparação para Desastres

Conhecer Riscos, Evitar Perdas

Precisamos nos preparar para o período das chuvas. Para isso, no dia 28 de maio, a Coordenadoria Municipal de Defesa Civil de Salvador convoca a sua comunidade a participar do exercício Simulado que ensina você a agir em caso de enxurrada e deslizamento. Essa ação é feita em parceria com a Secretaria Nacional de Defesa Civil/MI e com a Coordenadoria Estadual de Defesa Civil da Bahia.

Sua participação é fundamental.

Venha construir conosco o novo Sistema Nacional de Proteção Civil!

Sábado - 28 de maio - a partir das 8h
